INDEPENDENT AUDITOR'S REPORT

To The Board of Directors Children First, Inc. Athens, Georgia

We have audited the accompanying financial statements of Children First, Inc. (a nonprofit organization), which comprise the consolidated statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the fiscal years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audit contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children First, Inc. as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the fiscal years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The comparative statement of actual revenues and expenditures to budget on page 15, and the schedule of state contractual assistance on page 16, are presented for the purpose of additional analysis and are not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 23, 2022, on our consideration of Children First, Inc.'s internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulation, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Children First, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* in considering Children First, Inc.'s internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

Children First, Inc. is a Georgia Not-For-Profit corporation. The Organization is located in Athens, Georgia and operates primarily in the Athens and Oconee County, Georgia areas. The Organization assists families in crisis through five (5) different programs: Athens-Oconee CASA (Court Appointed Special Advocates), Family Time Community Visitation, SPARC (Supportive Parenting and Access Resource Center), Guardians for Children, and Safe Care. Children First, Inc. engages families in the community and the courts to promote safe, stable and nurturing living environments for children by providing trained volunteer advocates to children in foster care, as well as supervised visitation, therapeutic and practical parenting, life skills, and other assistance to families dealing with Georgia's child welfare system. The major sources of funds of the Organization are government grants.

BASIS OF ACCOUNTING

The financial statements of the Organization have been prepared on the accrual basis of accounting and, conform to accounting principles generally accepted in the United States of America.

NET ASSETS

Net assets of the Organization are classified based on the presence or absence of donor-imposed restrictions. Net assets are comprised of two groups as follows:

Net Assets Without Donor Restrictions - Amounts that are not subject to usage restrictions based on donor-imposed requirements. This class also includes assets previously restricted where restrictions have expired or been met.

Net Assets With Donor Restrictions - Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use. Restrictions may be met by the passage of time or by actions of the Organization. Certain restrictions may need to be maintained in perpetuity.

Earnings related to restricted net assets will be included in net assets without donor-restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

CASH AND CASH EQUIVALENTS

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

INVESTMENTS

The Organization follows the FASB ASC 958, *Not-For-Profit Entities*, which establishes external reporting standards for not-for-profit organizations. Standards for accounting for investments in equity securities and debt instruments are contained in FASB ASC 958-320, *Investments-Debt and Equity Securities*. Investments are stated at fair value. The fair value of debt securities and marketable equity securities are based on quoted market prices at the date of the financial statements. The investments are subject to various risks such as interest rate, credit and overall market volatility, which may substantially affect the value of the investments. Investments are stated at their current market value at September 30, 2021.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

FAIR VALUE OF FINANCIAL INSTRUMENTS

The Organization adopted the provisions of FASB ASC 820, *Fair Value Measurements and Disclosure*. FASB ASC 820 defines fair value and establishes a hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets that may include quoted prices for similar assets or liabilities or other inputs which are corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

PROPERTY AND EQUIPMENT

Expenditures for property and equipment are capitalized at cost. Property and equipment are depreciated using the straight-line method. Maintenance and repairs are charged to expenses as incurred. Renewals and betterments, with historical cost greater than \$1,000, which materially increase the value of the property, are capitalized. Depreciation is computed using the straight-line method over the following estimated useful lives:

Building and Improvements	40 years
Furniture and Equipment	5-7 years
Vehicles	5 years

CONTRIBUTIONS

Transactions where the resource providers often receive value indirectly by providing a societal benefit, although the societal benefit is not considered to be of commensurate value, are deemed to be contributions. Contributions are classified as either conditional or unconditional. A conditional contribution is a transaction where the Organization has to overcome a barrier or hurdle to be entitled to the resource and the resource provider is released from the obligation to fund or has the right of return of any advanced funding if the Organization fails to overcome the barrier. The Organization recognizes the contribution revenue upon overcoming the barrier or hurdle. Any funding received prior to overcoming the barrier is recognized as a refundable advance. Unconditional contributions are recognized as revenue and receivable when the commitment to contribute is received. Unconditional contributions are recorded as either with donor restriction or without donor restriction. Contributions are recognized as contributions with donor restrictions if they are received with donor stipulations that limit the use of the donated asset. Contributions received with no donor stipulations are recorded as contributions without donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and are reported in the statement of activities as net assets released from restriction. Donor-restricted contributions whose restrictions expire during the same fiscal year are recognized as contributions without donor restrictions.

MANAGEMENT ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires managements to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

PROMISES TO GIVE

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

GRANT REVENUE RECOGNITION

Grant and contract agreement funds are received on a scheduled basis or a cost reimbursement basis. Funds received on a scheduled basis are recognized as revenue when received. Grant and contract funds received on a cost reimbursement basis are recognized as revenue when the related expenses are invoiced to the grantor. Management's experience with the grant administration agencies has shown there is no need for an allowance for doubtful accounts. Therefore, no allowance for doubtful accounts is recorded on the Statement of Financial Position.

INCOME TAXES

The Organization's activities are generally exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Since the Organization is exempt from federal and state income tax liability, no provision is made for current or deferred income tax expense.

Income tax benefits are recognized for income tax positions taken, or expected to be taken, in a tax return only when it is determined that the income tax position will more likely than not be sustained upon examination by taxing authorities. The Organization has analyzed its tax positions taken for filings with the Internal Revenue Service. The Organization believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results in operations, or cash flows. Accordingly, the Organization has not recorded any tax assets or liabilities, or related accruals for interest and penalties for uncertain income tax positions at September 30, 2021. The Organization would recognize interest and penalties, if any, related to unrecognized tax benefits in interest expense.

All tax-exempt entities are subject to review and audit by federal, state and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the tax-exempt Organization under the Internal Revenue Code and applicable state statues. There currently are no audits of the Organization's returns in progress.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the Organization's various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

LIQUIDITY INFORMATION

In order to provide information about liquidity, assets have been sequenced according to their nearness to conversion to cash, and liabilities have been sequenced according to the nearness of their resulting use of cash.

NOTE 2 - LIQUIDITY

The Organization regularly monitors liquidity required to meet its annual operating needs and other contractual commitments while also striving to maximize the return on investment of its funds not required to annual operations. As of September 30, 2021 and 2020, Children First, Inc. has the following financial assets available to meet annual operating needs for the 2022 and 2021 years as follows:

NOTE 9- FORGIVENESS OF DEBT INCOME

("SBA"), had a term of two years, and an interest rate of 1%. The proceeds from the loan were spent on eligible expenses within the covered period, as defined in the PPP. On August 13, 2021, the SBA paid off the loan to First American Bank & Trust Company in full, which results in forgiveness of debt income to the Organization.

The Organization has recognized \$136,228 in Non-Operating Income on its Statement of Activities for the year ending September 30, 2021.

NOTE 10 -CONCENTRATION AND RISKS

The Organization's primary revenue sources are grants from various federal and state agencies. These grants are subject to periodic renewal. It is at least reasonably possible the grant amounts could be reduced or the grant not renewed.

NOTE 11 -UNCERTAINTIES

As a result of COVID-19 coronavirus pandemic, economic uncertainties have arisen which could negatively impact Children First, Inc. The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and the spread of the outbreak, impact on the Organization's consumers, donors, employees, and vendors, all of which are uncertain and cannot be predicted. At this point, the extent of which COVID-19 may impact the Organization's financial condition, or results of operations is uncertain.

NOTE 12- SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through August 23, 2022, the date on which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To The Board of Directors Children First, Inc. Athens, Georgia

We have audited, in accordance with the auditing standard generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Children First, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 23, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Children First, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Children First, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Children First, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses as items 2021-001 and 2021-002 that we consider to be significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Children First, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Children First, Inc.'s Response to Findings

Children First, Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and responses. Children First, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND RESPONSES

For the Fiscal Year Ended September 30, 2021

SIGNIFICANT DEFICIENCIES

Auditor's Reference Number

2021-001 <u>Segregation of Duties</u>

Criteria:

An employee should not complete multiple phases of cash receipt, cash disbursement or recording phases of transactions.

Condition:

Certain employees perform duties that are conflicting for internal control purposes. These areas include but are not limited to cash receipts, cash disbursements and bank reconciliations.

Cause:

The Agency has a limited number of personnel involved in handling accounting duties.

Effect:

Overlapping duties with accounting transactions present opportunities where unauthorized use of assets could occur and not be detected within a timely period.

Recommendations:

We recommend that duties be segregated when cost beneficial and practical. Otherwise, compensating controls should be put in place for adequate administrative or Board review of transactions.

View of Responsible Officials and Planned Corrective Actions:

Management agrees with the auditor's recommendation and has taken immediate action to ensure that these controls are now in place.

SCHEDULE OF FINDINGS AND RESPONSES - CONTINUED

For the Fiscal Year Ended September 30, 2021

SIGNIFICANT DEFICIENCIES

Auditor's Reference Number

2021-002 Recording of Grant Revenues and Receivables

Criteria:

Generally accepted accounting principles require the recording of revenue and receivables when the revenue is earned, not when the related cash is collected.

Condition:

Adjustments were required to properly record grant revenue and receivable as of September 30, 2021.

Cause

Accounting staff did not properly record grant revenue and receivables as of September 30, 2021.

Effect:

Net adjustments of \$80,505 were required to properly record grant revenue and receivables as of September 30, 2021.

Recommendations:

We recommend that proper internal controls be put into place to ensure that grant revenue and receivables are properly recorded at the Organization's fiscal year end prior to the start of the audit.

View of Responsible Officials and Planned Corrective Actions:

Management agrees with the auditor's recommendation and has taken immediate action to ensure that these controls are now in place.
